

SUPPLIES FOR MRS. EVERLY'S CLASS 2009-2010

Welcome to Second grade! I am excited that you are going to be in class with me next year.

PARENTS: Please no rolling back packs! They are too big to fit into our lockers and there is not enough space for other storage.

Please bring the following supplies to class the first day of school:

- one work box (small)
- one package of eight crayons (please, not larger as we have so little room)
- one package of 12 colored pencils (no markers, please)
- six (6) sharpened #2 pencils with erasers
- one pair of scissors
- two glue sticks
- one marble notebook for Parent Journal
- Four (6) blue pocket folders for our science units
- Two (2) red pocket folders for daily work
- One art smock
- One whiteboard marker (low scent) {no need for an eraser}

Please label all supplies with your name!

These items will need to be replaced occasionally throughout the year but please do not send a whole year's supply in at the beginning of the year --- we **do not** have room to store them.

Here are some items we would like you to send in for the whole class to use:

- two boxes of tissues (unscented, please)
- **Boys**, please bring one package of napkins or spoons(**just** spoons, please), and **girls**, please bring one container of disinfectant wipes

If you would like...a roll of 35mm film would be great. I take pictures all year long to record growth and history of our class.

Thanks for your help!!
