Village students will be allowed to ride a school bus with parental authorization only. Some students, who live within close proximity of the school, may elect to continue to walk to and from school. If you want your child to participate in this special transportation, please fill out the attached Parental Authorization Form and return it to the Elementary Office. If your child is to be picked up or dropped off at a site other than your own home, such as a babysitter's house or a day care center, indicate the proper location on the form. Please remember, the form must be signed by a parent or legal guardian, not a babysitter, not a grandparent.
