COVID-19 Communication Q & A

In response to parent concerns regarding the communication process for COVID-19 cases, here is a list of recent questions that have been asked and the District's response.

Q: Will all parents be notified immediately if there is a positive COVID-19 case within the district?

A: Yes, through School Messenger.

Q: Will there be more specific communication if my child was more directly exposed?

A: The Onondaga County Health Department makes that determination and also has those conversations with the families.

Q: Is there a way those of us in a situation like this could be notified sooner?

A: The school does not have the capability to conduct a risk assessment regarding the spread of the virus. Therefore, the contact must be through the county.
