

MySchoolBucks Update Notification

Thank you for choosing to use MySchoolBucks to securely and conveniently pay for your student's school meals this school year.

We're updating the program fee you pay at checkout in MySchoolBucks when funding your student's meal account to \$3.25 for each credit/debit card payment beginning on Thursday, March 7, 2024. Please note that if your district accepts e-checks, the program fee when paying by electronic check will be \$2.75 per meal payment on the same date.

Due to rising payment processing interchange fees and increased operational costs, this adjustment to our per-transaction program fee for school meals is necessary to continue providing you with the best and most secure online payment experience.

If you would like to make changes to your saved payment methods or automatic payment settings, please log into your MySchoolBucks account. For questions, please call our support team at 855-832-5226.
