## ***Fabius-Pompey Future Farmers of America Attend Camp Oswegatchie***

by Mrs. Ballard and Mrs. Odell, Future Farmers of America Advisors

In early July, twelve students were able to attend Camp Oswegatchie in Croghan, NY for a five-day summer camp program. While at camp, students were able to gain experiences in leadership training, environmental education and outdoor recreation. The students were able to proudly represent Fabius-Pompey FFA and interact with 160 FFA members from across New York. Some favorite activities included the giant swing, zip line, kayaking, horseback riding, low ropes, mountain biking and hiking. All of the students had a great time, and we are looking forward to representing Fabius-Pompey again next year!

**FROM LLOYD L. PECK, ED.D.  
SUPERINTENDENT OF SCHOOLS**

I hope you have been enjoying some rest and relaxation time this summer and that you are looking forward to an exciting new year. It is hard to believe that the summer is coming to an end and students are back in school. I am optimistic we will be back to normal this fall for the first time in nearly three years. I know the last two years have been anything but normal for our staff, students and community. With the pandemic better under control and guidelines on mask mandates and quarantining reduced, it is my hope that we can truly get back to pre-pandemic measures across the District.

It has been a very busy summer in the District as teachers have been doing curriculum work, professional development and readying their classrooms for the 2022-2023 school year. The District has also hired many new teachers and aides for the upcoming school year. The following instructional staff will join the F-P family this September:

- Megan Cutrer, School Psychologist and CPSE/CSE Chair
- Amy Eaton, Teaching Assistant
- Eva Heaney, Teaching Assistant
- Bailey Iaccarino, Social Studies Teacher
- Kristen Kasky, Instrumental Music Teacher
- Jaime Kelsey, Spanish Teacher
- Jason Martin, Middle School-High School Principal
- Levy Solomon, Spanish Teacher

As you will notice on the list of new employees, the District has a new Middle School-High School Principal, Jason Martin. Jason was selected to be our new Middle School-High School Principal after a lengthy search and interview process. Jason comes to us with vast administrative experience and a strong background in special education.

Starting the school year, I really want to focus on technology in the District and making the District a leader in technology not only in terms of curriculum for our students but classroom devices as well. We currently have one-to-one device deployment throughout the District K-12, but I want to focus on adding more courses and programs for our staff and students. The District is adding an extracurricular coding club for students after school, and it is my hope to bring eGaming and other STEAM courses to the District for the next school year. The District also purchased Promethean Boards for the classrooms, which will also help in expanding more technology to our students and staff.

In closing, I look forward to a very productive and successful school year. If you have any questions or concerns about the District, my door is always open. I can be reached by email at [jpeck@fabiuspompey.org](mailto:jpeck@fabiuspompey.org) or by phone at (315) 683-5301.

**MIDDLE SCHOOL-HIGH SCHOOL NEWS  
Jason Martin, Principal**

It is with great enthusiasm that we welcome all of you back to the 2022-2023 school year! We hope that your summer has been filled with fun, relaxation, lasting memories and time well spent with family and friends. For those new to the Middle School-High School, we would like to take this opportunity to officially welcome you all to our Falcon family.

It is my honor to begin the school year as your new Middle School-High School principal with our dedicated team of board members, teachers, staff and administrators. Together we strive for excellence in school, community and the world with our commitment to students.

We would like to send a special welcome to our new faculty and staff members. We are very excited about the talent and passion that they bring and look forward to their contributions through our collaborative work.

**Summer School 2022.** This summer we were able to provide our middle school students with six weeks of academic programming. This was a huge success in our continued support of academic excellence of our students.

**Future Farmers of America.** Students from our Fabius-Pompey chapter of the Future Farmers of America participated in a one week summer camp (7/10/22 - 7/15/22) at the Oswegatchie Educational Center, located in Croghan, NY. During their time spent, students participated in educational agricultural activities with the focus of premier leadership, personal growth and career success.

**Back to School Events and Important Dates.** Varsity and junior varsity sports are in full swing, with modified sports starting the first day of school. Some important dates to remember, the first day of school on Wednesday, September 7, and Open House on Thursday, September 29.

We are extremely excited about the start of a new school year and the endless opportunities that await our school community. Thank you all so much for your support as we look forward to an amazing year!

**STUDENT PHOTOGRAPHS USED IN PUBLICATIONS**

Throughout the school year, photographs of students may be taken for use in District publications or by the media. If you do not wish to have your child photographed for these purposes, please send a note to your child's principal.

### **Immunizations**

Parents should check to make certain all of their children have the recommended immunizations. Proof of immunization must be presented by the first day of school for all new and Kindergarten students. New York State Education Law mandates that children entering school, or already in school, present a certificate from a physician stating immunizations against mumps, measles, rubella (German measles), hepatitis B, poliomyelitis and diphtheria have been administered. All children entering 6<sup>th</sup> grade are required to have the varicella immunization or proof by a physician confirming chicken pox (history of the disease). All 6<sup>th</sup> graders are also required to have a Tdap vaccination on or after their 11<sup>th</sup> birthday for entry into 6<sup>th</sup> grade.

All students entering 7<sup>th</sup> and 12<sup>th</sup> grade must have the meningococcal vaccine. Please check with your healthcare provider to ensure that your student has fulfilled this requirement. This vaccine will be required prior to the start of the school year.

The Onondaga County Immunization Clinic provides childhood immunizations at the Dr. William A. Harris Health Clinic, 301 Slocum Avenue, Syracuse, NY. For more details, call the Onondaga County Health Department at (315) 435-2000.

### **Physical Examinations**

In accordance with New York State Education Law, physical examinations are required in grades Pre-K, K, 1, 3, 5, 7, 9 and 11, and for entering students. Parents are encouraged to have their family physician give the physical exam, but if they do not, physicals will be automatically scheduled in school.

### **Student Medication**

Pursuant to New York State Education Law, nurses or other school personnel are restricted from giving any internal medication, except with written directions by the attending physician of a student. This includes all medications such as aspirin, nose drops, decongestants, antibiotics, etc. If your child needs to have medication administered during school hours, please send in a written note from your doctor stating the child's name, the name of the medication, the dosage amount, the hour it is to be given and the date the medication is to be stopped, along with the labeled medication. The Medication Authorization form is located on the Health Office website. Physician orders for medications must be renewed each school year.

### **Health and Absence Procedures**

Please observe the following procedures when children are absent or parents desire to have them released during the school day:

- Telephone or email the school nurse when your child is absent, stating the reason for the absence. A written or emailed excuse should also be presented to the school nurse upon return to school after an absence or tardiness.

- Notify the school in case of change of address and/or telephone number. Be sure each of your children has your correct phone number and an emergency number where you can be reached. This is very important in case your child becomes ill or a similar emergency arises.
- Please make appointments for your children, if at all possible, on school holidays or after school has ended for the day.
- If your child is ill during school hours, you may be requested to come to school to take him/her home.
- If your child misses the school bus, it is your responsibility to transport him/her to school.
- If you want your child excused from school during the school day, you must send a written request to the school, which should be given to the attendance teacher upon arrival that morning or emailed to the school. Middle School-High School students should turn in notes to be excused at the Middle School-High School Health Office before or during first period that morning. The request should contain the full name of the student, date, time to be excused, destination and reason for leaving, means of travel from school and a telephone number by which the above information may be confirmed (parent, doctor, dentist).
- Parents or guardians must pick up their children at the respective school office and sign the school register if the child is being excused during the school day.

### **New York State Department of Health BMI Screening**

As part of a required school health examination, a student is weighed and his/her height is measured. These numbers are used to compute the student's body mass index, or "BMI." The BMI helps determine if the student's weight is in a healthy range. Recent changes to NYS Education Law require that the BMI and weight status group be included as part of the student's school health examination. A sample of school districts will be selected to take part in a survey by the NYS Department of Health. If our school is selected to be part of the survey, we will be reporting information to the NYS Department of Health about our students' weight status groups. Only summary information is sent. No names or information about individual students are sent. However, you may choose to have your child's information excluded from this survey report. The information sent to the NYS Department of Health will assist officials in developing programs that help children be healthier.

If you do not want your child's weight status group information included, please contact Mrs. McAndrew for grades K-5 and Mrs. Feeney for grades 6-12.

## TRANSPORTATION NEWS

by Mrs. Carpenter, Bus Dispatcher

### WELCOME BACK!

With the 2022-2023 school year fast approaching, it is time to get students and parents ready. We are looking forward to meeting all of our new students and seeing our returning ones. The wheels on the buses will start rolling on September 7 to bring our most precious cargo to school!

### ***Safety is our First Priority***

We know the safest mode of transportation is the school bus. Frequent and rigid inspections of the buses ensure that the school bus will give our children the safest ride to and from school. *New York State has the safest school bus drivers in the United States*, credited to the mandatory training, testing and driving reviews our drivers receive throughout each year. Since Covid-19, many parents choose to drive students to and from school. Please let us know if you will not be using the bus.

Parents and guardians, you play a very important role in your child's safety. Please, reinforce the bus rules and the importance of them with your child. Teach them the dangers of distractions. Just a single lapse in a driver's concentration could result in a serious accident causing possible injury or death to students on board the bus or to persons off the bus. *To avoid distractions, it is imperative that students exhibit good behavior on the bus. They should hear this from parents and teachers, as well as the transportation staff.* They need to sit in their assigned seats, facing forward at all times, not in the aisle or on the floor or standing.

Parents and guardians, here are additional ways in which we ask for your help-

- **Have your house number visible from both directions.**
- **Be sure your child is ready for the bus at least 10 minutes prior to arrival time.** Students should be waiting for the bus; the bus **cannot** wait for them! Buses are very consistent, but there can be occasional delays. Be ready, but please be patient. Buses do not return for a child who has missed the bus.
- **Never allow a child to run after a missed bus.** This can be extremely dangerous. *Do not leave young children unattended at a bus stop.* Nor should you pull up behind a bus. The driver may not see you and **you will be putting the child at risk.**
- **Parents of Elementary School students must make arrangements for a responsible party to be at home by 2:35 p.m. to receive your child.** There is a possibility that the bus will be earlier or later than what is considered normal. We do not drop off children without someone home to receive them. We return children to the Elementary School office, where you may pick them up.
- **Students of all ages need a written pass to go anywhere other than their own home.** Cell phones on the bus are not an allowable form of changing destinations. Children should go directly to their home after leaving the bus. Students will not be permitted to retrieve the mail or newspaper, etc., before crossing the road.
- **Teach your child** to wait at least **15 feet** back from the road, in a location that can be easily seen by the bus driver. Stress to your child **DO NOT** retrieve dropped items from **UNDER** or **NEAR** the bus. If you can't see the driver, the driver can't see you!
- **A small backpack or book bag is recommended for safety.** Drawstrings, scarves, chains, straps and mitten strings can pose a danger by entangling in the door.
- Only items that can fit on a student's **lap** should be transported on the bus. Large items or projects should be transported by car.
- **Discourage the use of cell phones on the bus. This includes picture taking.**
- **Be respectful of others and always listen to the driver.**
- **Be mindful, it is illegal to pass a school bus with the flashing red lights on, even on school property.**

**PARENTS/GUARDIANS MUST USE THE PICK-UP/DROP-OFF LOCATION AT THE REAR OF THE ELEMENTARY SCHOOL. IT WAS ESTABLISHED TO PREVENT THE INTERACTION OF CHILDREN AND VEHICLES. NO EXCEPTIONS, PLEASE!!**

### **NEVER WALK ALONGSIDE OR BETWEEN BUSES!**

**BUSES LINE UP AT 2 P.M., AND NO TRAFFIC WILL BE ALLOWED TO PASS THROUGH THE PARKING LOT.**

**STUDENT DROP-OFF IS ON THE WEST SIDE OF THE MIDDLE SCHOOL-HIGH SCHOOL.**

### **PLEASE STAY OUT OF THE BUS CIRCLE.**

**YOU MAY GET TRAPPED AND WILL NOT GET OUT UNTIL BUSES ARE RELEASED. LINE-UP IS 2:20 P.M.**

**Please submit daycare requests prior to the first day of school if possible.** This should be for regular daily busing. If your daycare situation changes, please allow up to two weeks to make the accommodations.

**Video cameras/voice recorders on buses:** To assist us in the safe transportation to and from school, our buses have video camera capability. It has proven to be very effective in identifying disruptive students, while allowing the driver to focus attention on operating the bus.

### ***Please review these details with your children.***

***If a rule or situation seems to be a barrier to meeting your transportation needs, please provide us with an opportunity to discuss your concerns. Proper bus behavior is essential for passenger safety! If you have any questions, please contact Diana Carpenter, Dispatcher, at (315) 683-5278 or Daniel Silky, Transportation Supervisor, at (315) 683-5301.***

**School transportation of students:** The Transportation Supervisor has the right to set pick-up points within the village limits where the concentration of population warrants same. Where pick-up points are not established, door-to-door service may be provided.

**Late buses:** Late buses depart the Middle School-High School approximately 3:30 p.m. Routing is the driver's decision based on the passengers riding that particular day. Drivers cannot accommodate specific time requests. Five late buses cover the entire district. If your child needs to be home or elsewhere at a specific time, please pick them up. Students riding activity or late buses are allowed to get off and walk a reasonable distance *if we have written parental permission in advance.* *Cell phone calls made during a bus trip are not an acceptable means of granting permission.*

### ***IT'S THE LAW:***

### **STOP FOR THE RED FLASHING LIGHTS OF THE SCHOOL BUS!**

***When the red lights are flashing, all other vehicles must stop-- on roads, in driveways, in any parking lot and always in the school parking lots!!***

**PLEASE TRY TO CHOOSE ONE PICK-UP AND ONE DROP-OFF LOCATION SO WE CAN ACCOMMODATE ALL STUDENTS WHO WANT TO RIDE.**

## ASBESTOS AND FIRE INSPECTIONS

**ASBESTOS INSPECTION** - In compliance with the U.S. Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA), all asbestos-containing building materials in our school buildings have been inspected. The triennial was completed in the spring of 2022.

The EPA requires us to perform a six-month visual inspection and a re-inspection of the asbestos materials every three years. A New York State Department of Labor (NYSDOL) certified asbestos inspector has performed this re-inspection and a certified NYSDOL asbestos management planner reviewed the results.

We will continue to manage all asbestos material in place as recommended by EPA guidelines and the NYSDOL certified asbestos management planner.

The Asbestos Designee, Richard Clancy, is available at (315) 683-5180 to answer any questions you may have about asbestos in our buildings.

**FIRE INSPECTION** - The annual inspection of the Fabius-Pompey Central School District buildings for fire hazards, which might endanger the lives of students, teachers and employees, was conducted in June 2022, and the report will be available at the District Office, located in the Middle School-High School building, for inspection by any interested persons.

## NOTIFICATION OF PESTICIDE USE

### Initial Notification to Persons in Parental Relation and Staff Pursuant to Section 409-H of the State Education Law

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and non-public elementary and secondary schools to provide written notification to all persons in parental relation, faculty and staff regarding the potential use of pesticides periodically throughout the school year.

The Fabius-Pompey Central School District is required to maintain a list of persons in parental relation, faculty and staff who wish to receive 48-hour prior written notification of certain pesticide applications.

The following pesticide applications are not subject to prior notification requirements:

- when a school remains unoccupied for a continuous 72 hours following an application;
- anti-microbial products;
- nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- silica gels and other nonvolatile ready-to-use pastes, foams or gels in areas inaccessible to children;
- boric acid and disodium octaborate tetrahydrate;
- the application of EPA-designated biopesticides;
- the application of EPA-designated exempt materials under 40CRF152.25;
- the use of aerosol products with a directed spray in containers of 18 fluid ounces or less for venomous spiders, bees, wasps and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of scheduled pesticide applications, please contact the District pesticide representative, Richard Clancy, Supervisor of Buildings and Grounds, Fabius-Pompey Central School District, 1211 Mill Street, Fabius, NY 13063. Please be sure to include your name, address, phone number, email address and school building(s) of interest.

**AFTER-PROM COMMITTEE NEWS**

by Mrs. Taylor, Committee Member

The F-P After-Prom Committee would like to thank the community for all of their support! This year’s party was held at the YMCA in Fayetteville. We were able to provide the students with a fun and safe evening. In addition to all the activities the YMCA had to offer, we hired FX Body Art. The students, and even some chaperones, were able to get temporary tattoos. We had donations for food from Robbie T’s Pizza, Chipotle and Wegmans. With the donations from the community, local colleges and the money earned from all of our fundraisers, we were able to offer many gift prizes for the students as well.

We are looking for new members to continue this event! The majority of the committee’s current members have children who graduated this year and they will be moving on to new adventures. We need new parents to help carry on with this tradition or it will not be offered in the future. If you are interested in helping, please reach out on our Facebook page or contact Cori Taylor at (315) 247-9564.

We’d like to thank all of the staff at the school who helped and supported us this year! Thank you to Mr. Linck, Mrs. Wilcox, Mrs. Windhausen, Mr. Silky, Mrs. Gasparini, Mr. Gumpfer, Mrs. Gover, Mr. Dow, Mr. Sharpe, Mr. Neuner, Mrs. Case, Ms. Virgil, Mrs. Carpenter and Mr. McKee.

**ELEMENTARY SCHOOL NEWS**

by Mrs. Bailey, Kindergarten Teacher

**Kindergarten Monster Collaboration**

During the month of June, the kindergarten team did a fun collaborative project with 9<sup>th</sup> grade students from North Syracuse Junior High. This project was initiated by Mrs. Todisco, a teacher at North Syracuse. She teaches a Life Span Studies class with a focus on child development. Mrs. Todisco’s daughter attends kindergarten at Fabius-Pompey. The kindergarteners were given a sheet to complete. They were asked to draw a monster, give it a name and add a few details, like its favorite color and its favorite food.

Once they did that, the big kids got to work making the children’s monsters come to life. The children got to Google meet with the 9<sup>th</sup> graders for a little sneak preview. The following week Mrs. Todisco and her teacher partner Mrs. Bower delivered monsters to 54 very excited kindergarteners. This project was a great success, and we look forward to working together with them again next year.

# 2022-2023 FABIUS-POMPEY CENTRAL SCHOOL DISTRICT CODE OF CONDUCT

## 1. INTRODUCTION

The Fabius-Pompey Board of Education (‘Board’) is committed to providing a safe and orderly school environment where students may receive, and District personnel may deliver, quality educational services without disruption or interference. Responsible behavior by students, teachers, other staff, parents, and visitors is essential to achievement of this goal. Accordingly, in collaboration with students, parents, teachers, and administrators, the Board has established this Code of Conduct. It applies to all students, school personnel, parents, and other visitors when on school property or in attendance at a school function.

The District has a long-standing set of expectations for conduct on school property and at school functions. These expectations, based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty, and integrity, are described on the next page.

## 2. DEFINITIONS

In accordance with the Dignity for All Students Act, Fabius-Pompey School District policy and practices must ensure that no student is subject to discrimination or harassment, based on a person’s actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, or gender/ gender identity or sex by school employees or students on school property, on a school bus, or at a school function.

**School Property** means in or within any building, structure, athletic playing field, playground, parking lot, or land contained within the real property boundary line of a public elementary or secondary school; or in or on a school bus (Education Law Section 11[1]).

**School Bus** means every motor vehicle owned and operated for the transportation of public pupils, children of pupils, teachers, and other persons acting in a supervisory capacity, to or from school or school activities, or privately owned and operated for compensation for the transportation of pupils, children of pupils, teachers, and other persons acting in a supervisory capacity to or from school or school activities (Education Law Section 11[1] and Vehicle and Traffic Law Section 142.)

**School Function** means a school sponsored extracurricular event or activity (Education Law Section 11[2]).

**Disability** means (a) a physical, mental, or medical impairment resulting from anatomical, physiological, genetic or neurological conditions which prevents the exercise of a normal bodily function or is demonstrable by medically accepted clinical or laboratory diagnostic techniques or (b) a record of such an impairment or (c) a condition regarded by others as such an impairment, provided however, that in all provisions of this article dealing with employment, the term must be limited to disabilities which, upon the provision of reasonable accommodations, do not prevent the compliant from performing in a reasonable manner the activities involved in the job or occupation sought or held (Education Law Section 11[4] and Executive Law Section 292[21]).

**Employee** means any person receiving compensation from a school district or employee of a contracted service provider or worker placed within the school under a public assistance employment program, pursuant to title nine B of article five of the Social Services Law, and consistent with the provisions of such title for the provision of services to such district, its students or

employees, directly or through contract, whereby such services performed by such person involve direct student contact (Education Law Section s11[4] and 1125[3]).

**Sexual Orientation** means actual or perceived heterosexuality, homosexuality, and bisexuality (Education Law 11 [5]).

**Gender** means actual or perceived sex and includes a person’s gender identity or expression (Education Law Section 11[6]).

**Harassment** means the creation of a hostile environment by conduct or by verbal threats, intimidation or abuse, including cyberbullying (Educational Law 11[8]) that has or would have the effect or unreasonably and substantially interfering with a student’s educational performance, opportunities or benefits, or mental, emotional or physical wellbeing’ or conduct, verbal threats, intimidation or abuse that reasonable causes or would reasonably expected to cause a student to fear for his or her physical safety; such conduct, verbal threats, intimidation or abuse includes but is not limited to conduct, verbal threats, intimidation or abuse based on a person’s actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex (Education Law 11[7]).

“Material Incident of Discrimination and/ or Harassment” means a single incident or a series of related incidents where a student is subjected to discrimination and/or harassment by a student and/or employee on school property or at a school function that creates a hostile environment by conduct, with or without physical contact and/or by verbal threats, intimidation or abuse, of such severe or pervasive nature that:

- a. Has or would have the effect of unreasonably and substantially interfering with a student’s educational performance, opportunities, or benefits, or mental or emotional and/or physical well-being; or
- b. Reasonably causes or would reasonably be expected to cause a student to fear for his/her physical safety.

**Cyberbullying:** means harrassment/bullying, as defined above, through any form of electronic communication.

### The 11 protected classes under the Dignity Act

**Race** means a group of persons related by a common descent or heredity. For purposes of enumeration the U.S. Census Bureau uses terms such as “White/Caucasian,” “Black/ African American/African-decent,” “Asian,” “Bi-racial,” “Hispanics/Latinos,” etc. to describe and classify the inhabitants of the United States.

**Color** means the term refers to the apparent pigmentation of the skin, especially as an indication or possible indication or race.

**Weight** means aside from the obvious meaning in the physical sciences, the word is used in reference to a person’s “size.”

**National Origin** means a person’s country of birth or ancestor’s country of birth.

**Ethnic Group** means a group of people who identify with each other through a common heritage including language, culture, and often a shared or common religion and or ideology that stresses ancestry. Some ethnic groups may emphasize marrying within the group of “endogamy.”

## 5. STUDENT USE OF ELECTRONIC COMMUNICATION DEVICES

Students are prohibited from using or having on or in an operational mode any paging device, mobile phone, cellular telephone, laser pointer or pen or any other type of telecommunications or imaging device during instructional time, except as expressly permitted in connection with authorized use in classrooms. While students are permitted to possess such devices during the school day, they are prohibited from using them in any manner which invades the privacy of students, employees, volunteers, or visitors. Students are not permitted to use any form of information technology, including their own personal devices, to intimidate, harass or threaten others. This type of harassment is generally referred to as cyber bullying. If a student violates this prohibition, then he/she is subject to discipline under this provision and/or any other provision in the District *Code of Conduct* that may be applicable to the circumstances involved.

## 6. STATEMENT OF BEHAVIORAL EXPECTATIONS

Schools are often referred to as microcosms of society. It seems fitting then that behavioral expectations within a school community should be governed by an overarching set of tenets applicable equally and consistently to society as a whole.

The school community has the responsibility to preserve societal values related to freedom and democracy. Given this, we all must recognize the necessity of the democratic process of law making and demonstrate its importance through respect for laws, rules, and authority.

Members of the school community must also respect themselves through an understanding and appreciation of their own individuality. Self-respect is demonstrated through academic and social integrity, the making of healthful choices, personal appearance, and interpersonal relationships. It is only through this knowledge and respect for self that we become empowered with the ability to extend this respect to others, to acknowledge the expression of

uniqueness in others, and to give of ourselves in assisting others to develop a stronger sense of self.

All members must demonstrate respect for the beliefs and values of others, their points of view, their religions, and their rights as human beings. We must be active and positive in our respect, curtailng acts or language that would diminish another. Treatment, judgment, or evaluation of others should be conducted with fairness tempered by empathy for individual differences. At the same time, expression of one's individuality must be balanced by the often greater needs of the community, particularly those related to respect for the environment, and for the health, safety, personal property and dignity of others.

All members must realize the importance of honesty in our daily tasks, activities, and responsibilities. We must encourage and expect each other to offer honest opinions and preferences on important issues.

Finally, members must encourage and expect each other to be positively contributing members of the school community by accepting the responsibilities associated with our respective roles in public education. Students and staff must work collaboratively in developing and maintaining a school climate which demonstrates a positive attitude toward learning, a safe and orderly environment, and an acceptance of the needs and differences of others.

Disciplinary action, when necessary, will be firm, fair, and consistent so as to be the most effective in changing student behavior. The staff at a school has the responsibility for taking appropriate actions when a student is involved in a situation which disrupts the learning environment of a school. When determining the consequences, they will take the following into consideration:

1. The nature of the offense and the circumstances which led to the offense.
2. The age-appropriateness of the consequence.
3. The student's prior disciplinary record.
4. The effectiveness of other forms of discipline.
5. Information from parents, teachers and/or others, as appropriate.
6. The extent to which the offense interfered with the responsibility/rights/privileges/property of others.
7. The extent to which the offense posed a threat to the health and safety of others.
8. Other extenuating circumstances.

As a general rule, discipline will be progressive. This means that a student's first violation may merit a lesser penalty than subsequent violations. In the case of students who are habitually disruptive or who frequently violate school rules, administrators have the prerogative of applying more severe penalties at any stage, including removal from class and suspension from school.

Detention: the placement of a student in a supervised school setting during the school day, after school, or on Saturdays.

Suspension: the denial of a student's right to attend school for a violation of District policy. A principal may suspend a student for up to five days. Suspension in excess of five days must be issued by the Superintendent.

Expulsion (Permanent Suspension): the permanent removal of a student from school, as determined by the Superintendent.

Although not all-inclusive, the following list of offenses on school property or at a school function and range of consequences apply in most circumstances.

# 2022-2023 FABIUS-POMPEY CENTRAL SCHOOL DISTRICT CODE OF CONDUCT

## 7. VISITORS TO THE SCHOOLS

Parents and other district citizens are encouraged to visit the District’s schools. Since schools are places of work and learning, however, certain limits must be set for such visits. For these reasons, the following rules apply to visitors to the schools:

1. Anyone who is not a regular staff member or student of the school is considered a “visitor.”
2. Except for those who are attending public gatherings or meetings, visitors must report to an administrator’s office upon arrival at the school.
3. Parents or citizens who wish to observe a classroom while school is in session are required to arrange such visits in advance with the classroom teacher(s), so that class disruption is kept to a minimum, and to abide by Board Policy #3210– School and Classroom Visitation, and its corresponding Administrative Regulation.
4. All visitors are expected to abide by the rules for public conduct on school property contained in this Code of Conduct.

The administration has authority to determine whether the visitor has an appropriate reason for being in the building. If the visitor is judged by the administrator not to have an appropriate reason, the visitor will be asked to leave. The police may be called if the situation warrants.

# Letter to Families Regarding the School Meal Program

Dear Parent/Guardian:

Children need healthy meals to learn. Fabius-Pompey Central School District offers healthy meals every school day. Breakfast costs \$1.35; lunch costs \$2.55 for grades K-5 and \$2.65 for grades 6-12. Your children may qualify for free meals or for reduced price meals. Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.

1. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Complete the application to apply for free or reduced price meals. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to Marion Carr, Cook Manager, Fabius-Pompey Central School District, 1211 Mill Street, Fabius, NY 13063; phone (315) 683-5327.
2. WHO CAN GET FREE MEALS? All children in households receiving benefits from SNAP, the Food Distribution Program on Indian Reservations or TANF, can get free meals regardless of your income. Categorical eligibility for free meal benefits is extended to all children in a household when the application lists an Assistance Program's case number for any household member. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Eligibility Guidelines. Households with children who are categorically eligible through an Other Source Categorically Eligible designation, as defined by law, may be eligible for free benefits and should contact the SFA for assistance in receiving benefits.
3. CAN FOSTER CHILDREN GET FREE MEALS? Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Foster children may also be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced price meal benefits, an eligible foster child will still receive free benefits.
4. CAN HOMELESS, RUNAWAY, AND MIGRANT CHILDREN GET FREE MEALS? Yes, children who meet the definition of homeless, runaway, or migrant qualify for free meals. If you haven't been told your children will get free meals, please call or email Mrs. Mary Henderson, Liaison for Homeless Children and Youth, at (315) 683-5811 or maryhenderson@fabiuspompey.org to see if they qualify.
5. WHO CAN GET REDUCED PRICE MEALS? Your children may be approved as reduced price eligible if your household income is within the reduced-price limits on the Federal Eligibility Income Chart, shown on this letter. Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.
6. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE APPROVED FOR FREE MEALS? Please read the letter you got carefully and follow the instructions. Call the school at (315) 683-5327 if you have questions.
7. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT ANOTHER ONE? Yes. Your child's application is only good for that school year and for up to the first 30 operating days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.
8. I GET WIC. CAN MY CHILD(REN) GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out a FREE/REDUCED PRICE MEAL application.
9. WILL THE INFORMATION I GIVE BE CHECKED? Yes and we may also ask you to send written proof.
10. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.
11. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to Lloyd L. Peck, Ed.D., Superintendent of Schools, (315) 683-5301 or 1211 Mill Street, Fabius, NY 13063.
12. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.
13. WHO SHOULD I INCLUDE AS MEMBERS OF MY HOUSEHOLD? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them.
14. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
15. WE ARE IN THE MILITARY. DO WE INCLUDE OUR HOUSING ALLOWANCE AS INCOME? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.
16. MY SPOUSE IS DEPLOYED TO A COMBAT ZONE. IS HER COMBAT PAY COUNTED AS INCOME? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.
17. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for SNAP or other assistance benefits, contact your local assistance

office or call 1-800-342-3009.

How to Apply: To get free or reduced price meals for your children carefully complete one application following the instructions for your household and return it to the designated office listed on the application. If you now receive SNAP, Temporary Assistance to Needy Families (TANF) for any children or participate in the Food Distribution Program on Indian Reservations (FDPIR), the application must include the children's names, the household SNAP, TANF or FDPIR case number and the signature of an adult household member. All children should be listed on the same application. If you do not list a SNAP, TANF or FDPIR case number for any household member, the application must include the names of everyone in the household, the amount of income each household member, and how often it is received and where it comes from. It must include the signature of an adult household member and the last four digits of that adult's social security number or check the box if the adult does not have a social security number. An application for free and reduced price benefits cannot be approved unless complete eligibility information is submitted, as indicated on the application and in the instructions. Contact your local Department of Social Services for your SNAP or TANF case number or complete the income portion of the application. No application is necessary if the household was notified by the SFA their children have been directly certified. If the household is not sure if their children have been directly certified, the household should contact the school.

Reporting Changes: The benefits that you are approved for at the time of application are effective for the entire school year and up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first). You no longer need to report changes for an increase in income or decrease in household size, or if you no longer receive SNAP.

Income Exclusions: The value of any child care provided or arranged, or any amount received as payment for such child care or reimbursement for costs incurred for such care under the Child Care Development (Block Grant) Fund should not be considered as income for this program.

Reduced Price Eligible Students: Beginning July 1, 2019, students in New York State that are approved for reduced price meals will receive breakfast and lunch meals at no charge.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age or disability

Meal Service to Children With Disabilities: Federal regulations require schools and institutions to serve meals at no extra charge to children with a disability which may restrict their diet. A student with a disability is defined in 7CFR Part 15b.3 of Federal regulations, as one who has a physical or mental impairment which substantially limits one or more major life activities of such individual, a record of such an impairment or being regarded as having such an impairment. Major life activities include but are not limited to: functions such as caring for one's self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. You must request meal modifications from the school and provide the school with medical statement from a State licensed healthcare professional. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical statement must contain.

Confidentiality: The United States Department of Agriculture has approved the release of students names and eligibility status, without parent/guardian consent, to persons directly connected with the administration or enforcement of federal education programs such as Title I and the National Assessment of Educational Progress (NAEP), which are United States Department of Education programs used to determine areas such as the allocation of funds to schools, to evaluate socioeconomic status of the school's attendance area, and to assess educational progress. Information may also be released to State health or State education programs administered by the State agency or local education agency, provided the State or local education agency administers the program, and federal State or local nutrition programs similar to the National School Lunch Program. Additionally, all information contained in the free and reduced price application may be released to persons directly connected with the administration or enforcement of programs authorized under the National School Lunch Act (NSLA) or Child Nutrition Act (CNA); including the National School Lunch and School Breakfast Programs, the Special Milk Program, the Child and Adult Care Food Program, Summer Food Service Program and the Special Supplemental Nutrition Program for Women Infants and Children (WIC); the Comptroller General of the United States for audit purposes, and federal, State or local law enforcement officials investigating alleged violation of the programs under the NSLA or CNA.

Reapplication: You may apply for benefits any time during the school year. Also, if you are not eligible now, but during the school year become unemployed, have a decrease in household income, or an increase in family size you may request and complete an application at that time.

The disclosure of eligibility information not specifically authorized by the NSLA requires a written consent statement from the parent/guardian. We will let you know when your application is approved or denied.
