**FROM LLOYD L. PECK, ED.D.  
SUPERINTENDENT OF SCHOOLS**

It is hard to believe that another school year is coming to end; it seems it was just yesterday the students were walking back into the school to start another year. Fabius-Pompey had another successful year both academically, athletically and in the arts. Our students flourished in the classroom and in the athletic arenas. The following teams were named Scholar-Athlete teams: Boys' Soccer, Girls' Soccer, Boys' Cross Country, Girls' Cross Country, Boys' Basketball, Girls' Volleyball, Boys' Indoor Track, Girls' Indoor Track, Baseball, Softball, Golf and Girls' Outdoor Track. Through the year, our schools presented three delightful musicals: *Shrek Jr.*, *All Shook Up* and *The Jungle Book*, as well as the High School drama *Romeo and Juliet*. Our music students represented our district proudly at NYSSMA, All-County, Area All-State and in area honor bands, and our art students showed their work at area art shows. This year, 12 Fabius-Pompey students received awards at the CNY Scholastic Art Awards.

As a district we started many new initiatives this year that will carry over to future years. The district laid the groundwork for a STEAM Academy to start in the 2023-2024 school year as well as a Pre-Kindergarten program. The district is also looking to welcome a school resource police officer in the fall to further ensure tightened security measures around the campus. The district also started the initial phase of the next capital project to address safety and academics.

I would like to close by thanking our voters for approving our school budget once again. The budget process is taken very seriously by the Board of Education and the administration. The district prides itself on offering the best education to our students while being very mindful of the economic impact to our community. The voters elected a new Board of Education member, Denise DiRenzo, who will offer new insight to the Board. I would also like to thank Andy Aiken for his nine years on the Board of Education and his dedication to the school and community as a whole.

**FUTURE TEACHERS CLUB NEWS**

by Mrs. Piano, Advisor

During the week of May 8, the Future Teachers Club joined forces with the administrators to provide goodies to all of the teachers. There were cookies, brownies and coffee in the faculty rooms, and each teacher got a special Fabius-Pompey pen.

Students also made posters to show how much they appreciate their teachers. A special thanks to Lily Ward and Clare Rosa for taking the lead on this endeavor!

**ELEMENTARY SCHOOL NEWS  
Cristina Knapp, Principal**

Spring is a busy and fun time of year at the Elementary School. We have experienced wonderful weather that has allowed our students to get outside and enjoy the sunshine! On April 20, grades kindergarten through 6 were able to take part in Big Truck Career Day! Students rotated through different stations and visited various vehicles, among them were the News Channel 9 van, State Trooper bomb squad truck, and the Town of Fabius and Town of Pompey Highway Department vehicles. We are very appreciative of everyone who participated in this amazing event.

Throughout this school year the elementary students have been engaging in grade-level lessons on our school-wide behavioral expectations known as CARES. This stands for Cooperation, Assertiveness, Responsibility, Empathy and Self-control. They have done an outstanding job demonstrating the characteristics of CARES, and they will continue to learn more about them next school year.

Students in grades 3 through 5 completed the NYS math test on May 8 and 9. This day requires a lot of concentration and moving parts within our building. Staff and students demonstrated their flexibility with a change in their routine and maintaining their concentration for an extended period of time. Great job to all of our students!

On May 11, we had our open house event, where families were invited to arrive early and enjoy a meal in the cafeteria or take it outside for a fun picnic. It was a well attended event, where families were able to explore their children's classrooms and see all the different areas of the school. The following day, our 5<sup>th</sup> grade students participated in Wellness Day, where they attended multiple health, wellness and safety sessions.

Our 5<sup>th</sup> grade students' hard work paid off after their successful production of *The Jungle Book* on May 16. They spent many days after school practicing and they did an excellent job. Many thanks to everyone who supported them throughout the process!

As May is flying by and we will soon be in June, we have many fun activities planned for our students. Each grade level will be attending a field trip, all students will participate in a fun day, 5<sup>th</sup> grade students have a moving-up ceremony and our kindergarteners will have a special celebration.

We are excited to celebrate the many accomplishments of our students as they have demonstrated much growth throughout the school year!

## NATIONAL HONOR SOCIETY NEWS

by Mr. Cavo and Ms. Harrod, Advisors

### *The Fabius Chapter of National Honor Society Inducts New Members*

On April 12, fourteen new members were inducted into the Fabius Chapter of the National Honor Society in an evening ceremony. All of these students became candidates by maintaining an academic average of 90.0 or greater during their high school careers. They then provided evidence of leadership, character and service to the Faculty Council, which determined their selection.

During the assembly, the officers carried out the traditional lighting of the four candles that represent the four pillars of membership. Biographies that were written by faculty members were read by the senior membership. Also recognized during the ceremony were three seniors who are active members of NHS who had not previously been recognized at last year's ceremony. They are Sophia Wilbur, Dahnvin Hurlbert and Joseph Britschge.

New inductees are Julia DaRin, Isabella Esposito, Madeline Hutson, Dana Ingersoll Jr., Jared Janicki, Retaj Marzooq (Honorary), Blake Masters, Rosalia Naczka (Honorary), Luke Neuner, Amr Shabani (Honorary), Peter Skeval, Marisa Trommel, Grayson Wallace and Andrew Ward.

Senior officers are Grace Swanson (President), Charles Hutson IV (Vice President), Jonathan Gambee (Secretary), Jenne Heerkens (Treasurer) and Amelia Trail (Historian).

Senior members are Joseph Britschge, Natasha DiRienzo, Jonathan Gambee, Madalyn Haaf, Jenne Heerkens, Dahnvin Hurlbert, Charles Hutson IV, Sierra Kolod, Owen Lee, Katie McKee, Phoebe Donaghy-Robinson, William Rosa, Grace Swanson, Amelia Trail, Myrah Unger and Sophia Wilbur.

During the year, the chapter has been very busy. It began with a successful candle sale, which will allow the group to make several substantial donations at the end of the school year. In January, NHS members organized a "Loose Change to Loosen Chains" fundraiser. Society members collected spare change from students in grades six through twelve to benefit the International Justice Mission, an organization whose goal is to end modern-day slavery and human trafficking. Over \$300 was raised in total and donated to the organization.

One final activity planned for this spring is a field trip in May to visit Hopeprint, a non-profit organization in Syracuse that works with refugees. Members will be volunteering for part of the day and taking a tour of the various immigrant-owned businesses in the neighborhood. We will conclude the year with a new officer induction ceremony and ice cream party, where senior officers will be recognized for their service and a new group of officers will be inducted for the 2023-2024 school year.

## THEATRE PROGRAM NEWS

by Mrs. Hutson, Parent

Students from Middle School and High School gathered to celebrate a year's worth of accomplishments in Theatrical Arts on Wednesday, April 26. Nineteen students joined our Theatrical Honor Society: 11 Middle School students and 8 High School students. The ceremony involved recognition of students who performed in or supported the Middle School Musical *Shrek Jr*, the High School Musical *All Shook Up*, in addition to the fall drama *Romeo and Juliet*. The Middle School induction to the International Thespian Society involved recognition of the Student Directors, Technical Awards, Honor Thespian Awards, and an Honorary Troupe presentation. In addition,

three Middle School parents were appreciated for their significant contributions. The second half of the program focused on the High School induction and recognition. It started with a candle-lighting ceremony and moved on to appreciating Honorary Troupe Members, Technical Awards, Drama Awards, Theatre Association of New York State Awards, New York State Theatre Education Association Awards, Honor

Thespian Awards, and finally Senior Recognition. It was moving to hear each Senior highlight a fellow Senior's impact on the Theatre Program. The Seniors made a huge impact on Theatrical Arts and will be missed next year. It was wonderful to have this opportunity to recognize the students and adults who have contributed so much to our Theatre Program and to celebrate our good work this year.

## TEEN INSTITUTE NEWS

by Mrs. Case, Advisor

In preparation for the Junior-Senior Prom on May 19, members of Teen Institute spent time with elementary school students in order to educate about Prom and create colorful posters to advertise Prom fun and safety. From illustrations of sparkly dresses and detailed tuxedos reminding students to dress their best, to limousines promoting safe driving, these "Prom posters" now cover the walls in much of the high school wing, eliciting smiles from prom goers, underclassmen and staff alike. Practicing public speaking, time management and youth education, members of T.I. were able to exercise important life skills while building new relationships with the younger members of our district and constructing memorable reminders to students as prom approaches.

**OUR MISSION.** To support Fabius-Pompey's sports programs by providing equipment, tools and opportunities that might not otherwise be available from the school district.

**PLEASE NOTE.** The **2023 Senior Sports Banquet** will be held the evening of Monday, June 5, at the Pompey Club. Senior athletes should have received an invitation with complete details. Reach out to us if you did not receive your invitation.

**WAYS TO SUPPORT SPORTS BOOSTERS.** Purchase an engraved paver to add to the patio in front of the concession stand. A terrific way to commemorate a special event, student athlete, graduating senior or alumni class, and support Sports Boosters! Visit [www.fpsportsboosters.org](http://www.fpsportsboosters.org) for an order form.

**NEW MEMBERS NEEDED.** Fabius-Pompey Sports Boosters is looking for new members. Please consider giving your time for this worthy cause. ## YOUNG NATURALISTS CAMP

*at Pratts Falls*

**For students entering grades 3 and 4: June 26 - 29**

**For students entering grades 4 and 5: July 10 - 13**

**For students entering grades 5 and 6: July 17 - 20**

**10:00 a.m. to 3:00 p.m.**

This camp will be focused on immersive outdoor experiences that will introduce campers to the wonders of our local environment. The camp will be spent at Pratts Falls with the possibility of another park as well, where we will be able to spend time in nature. Park pavillions will be our homebase. Hands-on experiences in our natural world will allow young naturalists to experience, appreciate and wonder at the interconnectedness of everything on Earth. Activities will include observations, discussions and classification of birds, insects, trees, plants, aquatic life, fossils, rocks, local geology and more.

Each day will be a mixture of activities with different themes as we hike and play games throughout the park visiting a variety of ecosystems. Participants should bring a bag lunch and dress for the weather. Clothing should be the kind you don't mind getting a little dirty as we will be exploring the wilderness. Camp Director is Marcus Pitts who is a local certified Earth Science teacher and graduate of SUNY ESF.
