Middle School-High School Foyer (Towns of Fabius and Cuyler)

Pompey Community Church (Towns of Pompey, LaFayette & Cazenovia)

**Budget Hearing Date: Tuesday May 5, 2026
6:30 p.m., Middle School-High School Library**

PROPOSITION I: Resolved, that the Board of Education of the Fabius-Pompey Central School District, County of Onondaga, State of New York, be and hereby is authorized to expend during the fiscal year 2026-2027 the sum of \$22,793,004 as set forth in its statement of estimated expenses and to levy the necessary taxes thereof.

PROPOSITION II: Shall the Board of Education of the Fabius-Pompey Central School District be authorized to purchase and

finance three (3) diesel student transportation vehicles, including necessary furnishings, fixtures and equipment and all other costs incidental thereto, and expend a total sum not to exceed \$526,000, which is estimated to be the total maximum cost thereof, and said amount, or so much thereof as may be necessary, shall be raised by the levy of a tax upon the taxable property of said School District and collected in annual installments as provided by Section 416 of the Education Law; and, in anticipation

of such tax, obligations of said School District, in the principal amount not to exceed \$526,000, shall be issued.

PROPOSITION III: To elect two (2) members to the Board of Education for three (3) year terms (7/1/26 – 6/30/29). The seats are presently held by Denise Fresina DiRienzo and Eric Exelby.

Choose two:

- ◆ Denise Fresina DiRienzo
- ◆ Eric Exelby

BOARD CANDIDATES

Denise Fresina DiRienzo

Hi, I'm Denise Fresina DiRienzo. As an FP alumna and parent of a 9th grader and a college student, I've spent over a decade volunteering in our district. I'm committed to the long-term success of community and youth. My professional background in higher education leadership, including executive roles at D'Youville University, SUNY Oswego, and Cornell, provides a "front-row seat" to the skills today's employers and colleges demand.

As your current Board Vice President, I bridge the gap between our local classrooms and the evolving workforce in healthcare and technology. With a doctorate in higher education leadership, I offer the strategic expertise needed to adapt our curriculum for the next generation. I am committed to leveraging our district's unique assets to ensure every student is prepared for success, whether in trade school, college, or the workforce. I ask for your vote.

Eric Exelby

I strive to represent all members of our district, from taxpayers, staff and students fairly. Things have changed since I graduated from Fabius-Pompey, but our community values about education haven't.

While serving on the Board of Education, I have tried to keep programs moving forward. I enjoy celebrating the success of our students, going out into the world, choosing a path that brings them happiness and success.

I have gained knowledge and experience while on the school board. I will continue to find ways to balance the needs and wants of the district.

Thank you for your support.

RISING COSTS ARE OUTPACING STATE AID

Members of the Fabius-Pompey school community are likely aware of the rise in healthcare costs and how it is impacting the upcoming school budget. Is it no secret that these costs are rising nationwide due to multiple factors which are not unique to school districts—they can be felt across all industries. The most common trends seen are higher premiums, larger deductibles, and greater financial strain on employers, families, and public budgets. These costs are driven mainly by prescription medications, consolidation of physician services, the need for hospital care, and increased use of specialty testing and treatments. More specifically (but not all inclusive):

- ◆ Drug spending has surged, driven heavily by specialty medications and GLP 1 therapies for diabetes and weight management which can be a significant contributor to premium growth.
- ◆ Consolidation of physician services by hospital systems can increase costs through additional facility fees.
- ◆ Many adults are experiencing a rise in chronic physical disease and mental health concerns requiring more care.
- ◆ Demographic shifts are increasing demand for more

frequent and complex acute care and outpatient services.

- ◆ Employer-sponsored family premiums have risen materially in recent years, reflecting the cost pressures of the rise in healthcare spending.
- ◆ Demographic shifts are increasing demand for more frequent and complex care.

The bottom line is that these trends, which are beyond our control, contribute to rising costs that exceed the growth in state aid for the Fabius-Pompey school district. Providing health insurance coverage at a sustainable rate is our goal, which is challenged by these trends. These cost pressures are expected to continue to stress school budgets like ours.

FREQUENTLY ASKED QUESTIONS

VOTER QUALIFICATIONS are as follows. You must be 1) a citizen of the United States, 2) eighteen years of age, and 3) a resident of the District for at least thirty days prior to May 19, 2026.

VOTER REGISTRATION shall take place with the District Clerk, Deputy District Clerk or a member of the Board of Registration during the hours of 8:00 a.m. to 3:30 p.m., any school day, at the District Office located at 1211 Mill Street, Fabius, New York, provided, however, that such registration shall not take place after May 14, 2026.

Voter registration with the District Clerk is not necessary if you are an active registered voter in your county of residence.

APPLICATIONS FOR ABSENTEE AND EARLY MAIL BALLOTS are available in the District Office.

To receive an application for an absentee or early mail ballot, please contact the Deputy District Clerk by mail at 1211 Mill Street, Fabius, NY 13063, by email at dlarose@fabiuspompey.org, or by calling (315) 683-5301.

Completed applications must be received no later than 4:00 p.m. on May 18, 2026. Completed applications must be received no later than 3:30 p.m. on May 12, 2026, if the absentee or early mail ballot is to be mailed to the voter. Completed applications received after 3:30 p.m. on May 12 2026, will require the voter to personally appear at the office of the District Clerk to receive an absentee or early mail ballot.

Please contact the District Clerk at (315) 683-5301 with questions.

Q: Compared to the current school year, will the 2026-2027 school budget increase or decrease? A: The 2026-2027 school budget will see an increase compared to the current year. The main reason for the increase is debt service payments related to Project 2026, which was voted approved in December 2023 and scheduled for completion during the 2026-27 school year. Also, significant increases in health insurance costs for both active employees and retirees are another large driver for the budget increase. Lastly, contractually required wages & salary increases are another reason for why the budget is up. Without these three factors, the budget would actually decrease by nearly \$150,000.

Q: Why are district expenses increasing when the student population is now only two-thirds of its historical peak? A: Although enrollment has declined over the past 20-25 years, staffing levels have not decreased proportionally. Staffing remains the largest cost driver in the budget. Combined with ongoing salary increases and the steep rise in health insurance - climbing from approximately \$1 million in 2001-2002 to nearly \$5.4 million in 2026-2027 - the total cost to operate the district has continued to grow. Additionally, the district still maintains two school buildings and grounds, which are fixed infrastructure costs that do not fluctuate with enrollment.

Q: What is the status of New York State aid, which makes up nearly 50% of Fabius-Pompey's revenue? A: At the time of printing, the New York State budget had not yet been finalized, despite an April 1st deadline. This was also the case last year. We anticipate only a modest increase of 2 percent in Foundation Aid—the district's primary form of state funding. This limited growth places additional pressure on local revenue sources, including the tax levy and federal grants to support core educational programs.

Q: What tax levy increase has the Board of Education approved, and is it above the tax cap? A: The Board has approved a 4.99% increase in the tax levy, which is within the tax cap limit. The reason both the cap and levy increase are well above the 2-3% average over the past few years, is because of the debt service payments added from Project 2026.

Q: What is the estimated tax rate increase for the 2026-2027 school year? Why might it differ from the tax levy increase? A: The estimated tax rate increase is about 4%. While the tax levy reflects the total amount to be raised, the tax rate is influenced by the total value of taxable property in the district. New construction and property improvements help distribute the levy across a broader tax base, thereby reducing the individual tax rate impact. For example, some new homes and barns have recently been built in Pompey and Fabius.

Q: If I'm not a registered voter, how do I register to vote on the school budget? A: You can register to vote with the District Clerk, Deputy District Clerk or a member of the Board of Registration between 8:00 AM and 3:30 PM (school days) at the District Office, 1211 Mill Street. However, such registration cannot take place after May 14th.

Q: Does the 2026-2027 operating budget include funding for a small capital project? A: No. In previous years, the budget included a \$100,000 interfund transfer to support district-wide security and safety improvements. Additionally, the district had allocated \$35,000 for camera installations and maintenance. However, the District has removed these annual budgetary amounts from the 2026-27 budget since past small project, combined with Project 2026, have or will sufficiently address our investment safety and security for next year.

FROM THE BOARD OF EDUCATION

As we finalize preparation of the budget for the 2026-2027 school year, we would like to share an update with our Fabius-Pompey community. The budget process is a thoughtful and detailed effort that unfolds over several months—beginning in November and concluding with adoption in April. Throughout this work, we carefully balance rising costs, state requirements, and available resources, always with our students at the center of every decision.

Our goal remains consistent: to provide a strong educational experience for all students while being responsible stewards of taxpayer resources.

Like many public school districts across New York State, we continue to face increasing financial pressures. One of the most significant challenges is the rising cost of health insurance. These costs have grown steadily over time and now represent a substantial portion of the District's budget. While we work closely with our partners to manage these increases, they are largely outside of our control and require us to make difficult and deliberate trade-offs in other areas of spending.

Looking ahead, these costs are expected to continue rising. Health insurance, which accounted for approximately 10% of the District's budget in 2000, is projected to exceed 30% by the 2028-2029 school year. This trend presents a long-term challenge that we must plan for carefully. Additional information on this topic can be found in the accompanying article.

In addition, the District will begin making debt service payments in 2026-2027 related to Project 2026, which was approved by voters in December 2023. These payments are similar to a homeowner's mortgage and support important improvements to our facilities. While New York State provides Building Aid to help offset a portion of these costs, the remaining cost represents a fixed and unavoidable obligation that must be incorporated into the District's annual budget. In the expenditure budget, you will see a sizeable increase under the Debt Service section. However, in the revenue budget, you will see a similarly sizeable increase under the Building Aid.

At the same time, state aid has remained relatively flat, and the District has made modest adjustments to the tax levy in order to maintain programs and services. Without careful planning, this combination of factors could require increased reliance on the District's reserves. However, like any household, we recognize that savings are not a long-term solution for ongoing expenses, and it is important to ensure that spending is aligned with recurring revenue.

With all of this in mind, the District has taken a careful and measured approach to developing the 2026-2027 budget. We have reviewed all areas of spending to identify efficiencies while maintaining current staffing levels and preserving the programs, services, and opportunities that our students rely on each day. Protecting classroom instruction and student support services continues to be our top priority.

At the May budget vote, we are asking the community to approve a 4.99% increase to the tax levy. This increase remains below the

state's tax cap and therefore requires a simple majority for approval. While any increase is taken seriously, this adjustment is necessary to support previously approved capital project costs and to ensure the District can continue to meet its obligations, including wages and benefits.

This year's proposed budget reflects a thoughtful balance between fiscal responsibility and maintaining the quality of education our community values. We remain committed to supporting student learning, enhancing curriculum opportunities, and continuing growth in areas such as STEAM and Career and Technical Education. These investments are aligned with the District's long-term priorities, including Strategic Plan Goals 1 and 2, which focus on expanding academic opportunities and strengthening vertical alignment of curriculum across grade levels.

In addition, this work connects directly to New York State's broader direction, including the Blue Ribbon Commission and the development of a Portrait of a Graduate. These efforts emphasize skills like critical thinking, communication, and real-world problem solving. Our Instructional Technology Plan supports this by using technology to enhance instruction, build digital fluency, and create more opportunities for students to collaborate and engage in meaningful learning experiences. Together, these efforts help ensure our students are well prepared for what comes next.

We encourage you to stay engaged in the budget process and to attend the annual public budget hearing on May 5th. This forum provides an opportunity to learn more about the proposed budget, understand the factors shaping it, and ask questions during the formal public process.

Thank you for your continued support of the Fabius-Pompey Central School District. Working together, we can ensure a strong and sustainable future for our students and our community.

PROPOSITION II TRANSPORTATION

The Fabius-Pompey Central School District asks its voters each year to approve a bus purchase request, which will replace costly or aging school vehicles. This year the Board of Education will conduct a Special meeting on Tuesday, May 19, 2026 to seek approval for the purchase of three (3) school buses, not to exceed the cost of five hundred twenty-six thousand dollars (\$526,000).

The District currently maintains 26 vehicles in its fleet to safely transport our students. Regular academic transportation includes transporting our students to and from school, transporting our special needs students to programs that lie outside the District, transporting students enrolled in BOCES occupational programs to locations outside the District, and transporting our students on educational field trips. School buses are also used for transporting students who participate in extra-curricular activities, such as interscholastic athletics and student club events. The total fleet mileage for last year, 2024-2025, was 288,780.

The 2025-26 Fleet is as follows:

Bus#	Year	Make	Pupil Capacity	Current Mileage**
37D	2013	Dodge Minivan	6	80,753
*81	2017	International CE	60	119,732
*82	2017	International CE	60	92,419
83	2018	International CE	65	78,608
84	2018	International CE	60	109,259
85	2018	International CE	60	84,614
86	2019	International CE	60	80,502
87	2019	International CE	60	69,645
88	2019	International CE	60	65,566
89	2020	International CE	54 w/3 wheelchairs	82,453
90	2020	International CE	60	70,658
91	2021	International CE	60	48,178
92	2021	International CE	60	68,504
93	2021	International CE	60	49,185
94	2022	International CE	66	41,638
95	2022	International CE	54 w/3 wheelchairs	59,421
96	2024	International CE	30	55,814
97	2024	International CE	30	58,189
98	2024	International CE	30	59,242
99	2025	International CE	66	17,526
100	2025	International CE	66	11,877
1	2026	International CE	60	14,630
2	2026	International CE	60	8,703
3	2026	International CE	66	13,184
4	2026	International CE	60	1,688
5	2026	International CE	60	216

*These vehicles were sold April 2026.

**Mileage is current through December 31, 2025

TAX RATE INFORMATION

Tax Rate Guidelines: Please use the following guideline to determine estimated school taxes for the 2026-27 school year.

Tax Rates will be finalized in August when the District receives the final State Equalization Rates and final assessments.

The taxes below are calculated using an estimated increase to assessed value based on the past four year average.

Tax Equation = Assessed Value (minus \$17,100 Basic STAR Exemption) / 1,000 X Estimated Tax Rate

Example:

Assessed Value	\$ 100,000	
<u>Less Basic STAR Exemption</u>	<u>\$ 17,100</u>	
Assessment After STAR	\$ 82,900	
Assessment Divided by \$1,000	83	
30 Multiplied by Estimated Tax Rate of \$31.34	\$ 2,598.33	-- This is the 2026-76 Estimated Property Tax.

OR

If the assessment is ... the estimated school tax for the 2026-27 school year would be...

\$ 125,000	\$ 3,381.91
\$ 150,000	\$ 4,165.48
\$ 175,000	\$ 4,949.06
\$ 200,000	\$ 5,732.63

The School Tax Relief (STAR) program offers property tax relief to eligible New York State homeowners. If you are eligible and enrolled in the STAR program, you'll receive your benefit each year in one of two ways:

1. STAR credit check. If you are registered for the STAR credit, the Tax Department will send you a STAR check in the mail each year. You can use the check to pay your school taxes. You can receive the STAR credit if you own your home and it's your primary residence and the combined income of the owners and the owners' spouses is \$500,000 or less.
2. STAR exemption: a reduction on your school tax bill. If you've been receiving the STAR exemption since 2015, you can continue to receive it for the same primary residence. As long as you remain eligible, you'll see a reduction on your school tax bill for the amount of your STAR exemption. Note: The STAR exemption is no longer available to new homeowners.

All property owners, upon application to the Town Assessor, are eligible for one of two STAR Tax Exemptions or Credits:

Basic STAR - a \$30,000 deduction or credit on assessed value, if assessed at full value. A one time application is required.

Enhanced STAR - a \$60,000 deduction or credit on assessed value available to Senior Citizens ONLY, requires an annual verification by March 1.

For more information, please visit our website or contact the District Office at (315) 683-5301

Budget Hearing Date: Tuesday May 5, 2026
6:30 p.m., Middle School-High School Library

BUDGET VOTE DATE: Tuesday May 19, 2026, 7 a.m. - 9 p.m.
Middle School-High School Foyer (Towns of Fabius and Cuyler)
Pompey Community Church (Towns of Pompey, LaFayette & Cazenovia)

THE VOTE ON THE 2026-2027 SCHOOL BUDGET, TRANSPORTATION PROPOSITION and BOARD OF EDUCATION ELECTION shall take place Tuesday, May 19, 2026, 7:00 a.m. to 9:00 p.m., in the Middle School-High School Auditorium Foyer at 1211 Mill Street in Fabius for district residents of the Towns of Fabius and Cuyler, and at the Pompey Community Church at 2555 Berwyn Road in Pompey for district residents of the Towns of Pompey, LaFayette and Cazenovia.
