

Fabius Pompey Sports Boosters Commemorative Engraved Paver Program

Become a permanent part of Fabius-Pompey sports history and leave a lasting memory at the concession building behind the Fabius Pompey Middle School/High School!

The patio area in front of the concession stand serving window is partially filled with personalized bricks engraved with names and messages, but there is space for more! The paver patio captures the Fabius-Pompey sports tradition and provides a unique opportunity to leave your message for future generations of athletes, families, and friends of Fabius Pompey sports, while supporting Fabius Pompey athletic programs. The purchase of commemorative pavers helps finance the Sports Boosters' many projects, all of which directly support our Fabius Pompey athletic programs and athletes.

While timeframes can vary due to order size, supplier capacity and local weather conditions (related to installation), Pavers are usually received and installed within approximately 8-12 weeks following Sports Boosters' submission of the Paver order to its supplier.
