

NYS required Health Screenings

Dear Families:

The district's School Health Services program supports your student's academic success by promoting health in the school setting. One way that we provide care for your student is by performing the health screenings as mandated by the State of New York.

During the school year, the following screenings will be required:

(Completed by your health care provider or if not, completed at school)

- Vision:
 - Distance and near acuity for all newly entering students and students in Pre-K or Kindergarten, Grades 1, 3, 5, 7 and 11.
 - Color perception screening for all newly entering students.
- Hearing:
 - Hearing screening for all newly entering students and students in Pre-K or Kindergarten, Grades 1, 3, 5, 7 and 11.
- Scoliosis:
 - Scoliosis (spinal curvature) screening for all females in Grades 5 and 7 and all males in Grade 9.

You will be notified of any abnormal findings in writing.
