COMMUNITY

The Fabius-Pompey Central School District, located in rural central New York near Syracuse, serves approximately 650 students in grades PreK-12 across two schools. The district is experiencing growth and provides residents with a desirable rural lifestyle while maintaining proximity to urban amenities and several higher education institutions.

Fabius-Pompey Elementary School focuses on developing basic skills through a developmentally based curriculum and offers various special programs and support services. The Middle School-High School complex provides a comprehensive academic and extracurricular program, including advanced placement courses, special needs services, and a strong emphasis on music and athletics. Both schools are well-equipped to support student learning and development, offering a wide range of programs and resources to meet the diverse needs of the community.

Students benefit from the district's central location, which provides proximity to various higher education institutions and BOCES programs, further enriching their educational opportunities.

ALMA MATER

Round about us are the hilltops
Towering toward the sky.
Everywhere their mighty splendor
Meets the lifted eye.
When the days of youth are over
And we shall part,
May we hold our Alma Mater
Ever in our hearts
Even when life's twilight deepens
And our task is o'er
May the sunshine of thy memories
Come to us once more.
Home I love...
Fabius-Pompey...dear to me
Alma Mater fair
May the songs thy sons now echo
Ever fill the air.

Medications

According to New York State Law, nurses are restricted from giving any internal medication except on written directions by the physician of a pupil. This includes all medications such as aspirin, nose drops, decongestants, antibiotics, etc. If your child needs to take medicine during school hours, please have your doctor send a written note stating the child's name, the name of the medication, the amount of medicine to be taken, the hour it is to be given, and the date the medication is to be stopped.
