

2025-2028 Strategic Plan

1 ENHANCE ACADEMIC & ENRICHMENT OPPORTUNITIES

The Fabius-Pompey Central School District will enhance academic and enrichment opportunities by:

- Expanding elementary enrichment clusters and summer programming.
- Providing learning opportunities beyond the traditional curriculum.
- Expanding elective STEAM courses and Career and Technical Education (CTE) offerings.
- Exploring additional college-level classes.
- Supporting diverse extracurricular opportunities.

2 VERTICALLY ALIGN ACADEMIC SUBJECTS

The Fabius-Pompey Central School District will vertically align all academic subjects, from UPK through Grade 12, to ensure consistency in curriculum across all grade levels by:

- Establishing and monitoring a guaranteed and viable curriculum with aligned content, skills, and common language across grade levels, ensuring all students have equal access.
- Creating a system for posting, sharing, and revising curriculum documents.
- Forming vertical alignment teams to identify essential standards and address gaps and overlaps.

3 IMPROVE COMMUNICATION

The Fabius-Pompey Central School District will improve communication with the District's students and stakeholders by:

- Creating a user-friendly district communication guide on the Fabius-Pompey website.
- Analyzing and improving existing platforms to centralize information.
- Increasing student and stakeholder opportunities to engage with Board, District, and School leadership.
