November 12, 2021

Dear Parents/Guardians:

Tully Schools will be partnering with Kinney Drugs to host a school-based COVID-19 vaccination clinic for students age 5-11. The Fabius-Pompey community has been invited to join Tully Schools in participating in the clinic.

Below is important information for parents/guardians who would like to have their child vaccinated at this clinic:

- This clinic will be held on Thursday, November 18, and Friday, November 19, from 10:00 am to 6:00 pm on both days.
- The second dose of this vaccination will be administered three weeks later on Thursday, December 9, and Friday, December 10.
- Pre-registration is required. Registrations will be taken on a first come, first serve basis. Here is the registration link: [Vaccination Registration](#)
- A parent/guardian must attend the clinic with each child. The clinic will be located at the Tully Elementary School (20 State Street, Tully) in the conference room close to the auditorium.
- A parent/guardian must complete and sign a parental consent form. Copies of this form will be available at the clinic. For your convenience here is a link to this form: [Vaccination Consent Form](#)
- Parents/Guardians must bring insurance information with them to the clinic. For those without insurance, the vaccination will be given free of charge.
- Those with vaccination times after school should enter the building via the side entrance that faces the Tully Free Library.

If you have any questions, please contact the Fabius-Pompey Elementary School at (315) 683-5857.

Sincerely,

Lloyd L. Peck, Ed.D.
Superintendent of Schools
